

# Indoor Fibre Optic Enclosures Wall & DIN Rail Mounted

## DMO - Fiber Net Series

The wall mount enclosures are economical, rugged with cable entry holes from two sides for easy cable installation through a gland or grommet.

The design allows the enclosure to be used without the outer connector adaptor panel (using black taps to cover adaptor holes) to form a low-cost, wall mount, splice cabinet. When patching is required, adaptors are available for all popular connector types Including ST, FC, LC and SC.

The DMO Fiber-Net Series are suitable for low volume applications & FTTH networks that can host ST, FC and SC and LC type connectors for 4, 12 to 24 positions. The fiber optic enclosure products are equipped with cable management and cable routing accessories to limit bend radius and add strain relief control. These rugged fiber optic enclosures can accommodate splicing and direct termination of fiber optic enclosures. Material and work specified herein shall comply with the applicable requirements of ANSI/TIA/EIA – 568-B - Telecommunications Cabling Standard, IEC 61753. IEC 60529 (IP 55) standard can be attained by installing the DMO in an outdoor box. An **INOX 304** (optional 316) version is available for use in humid and marine environment to resist corrosion.

## ORDERING INFORMATION

DMO-04-SC-KIT	Wall Mount Fibre Optic Outlet for 4 SC/PC (option SC/APC) adaptors	12x12x4cm
DMO-08-LC-KIT	Wall Mount Fibre Optic Outlet for 8 ST/PC (option LC/APC) adaptors	12x12x4cm
DMO-12-ST-KIT	Wall Mount Fibre Optic Outlet for 12 ST/PC (option FC/PC- FC/APC) adaptors	16x20x4cm
DMO-12-SC-KIT	Wall Mount Fibre Optic Outlet for 12 SC/PC (option SC/APC) adaptors	16x20x4cm
DMO-24-LC-KIT	Wall Mount Fibre Optic Outlet for 24 LC/PC (option LC/APC) adaptors	16x20x4cm
DMO-04-SC-KIT-X	Wall Mount Fibre Optic Outlet for 4 SC/PC (option SC/APC) adaptors <b>INOX 304</b>	12x12x4cm
DMO-08-LC-KIT-X	Wall Mount Fibre Optic Outlet for 4 LC/PC (option for LC/APC) adaptors <b>INOX 304</b>	12x12x4cm
DIN-RAIL-KIT	DIN standard Rail Mount kit for all DMO enclosures
